If dyed biodiesel (D05 or higher) fuel is sold or consumed in a pleasure boat, the entire 12 cents per gallon tax is due on the quarterly tax return.

Tax Exempt Purpose

Marine fuel sold for the following purposes is tax exempt:

(April 20, July 20, October 20 and January 20) If the 20th falls on a Saturday, Sunday or legal holiday, the return is due on the first business day following. The United States postmark on the envelope is the determining factor for timeliness of the return.
